

Dear Principal,

We issued Circular S51/19 to all schools in early May. This included information about Online Marking.

We have received a number of requests for clarification as to what Online Marking means for candidates. Our basic message remains the same, which is, there is very little change for candidates as a result of their examinations being marked online.

We are taking this opportunity to provide some further clarification specifically for the attention of candidates and their parents/guardians. This is available <https://www.examinations.ie/?l=en&mc=ex&sc=omd> We appreciate your assistance in bringing this to their attention.

PIN letters for our new Candidate Self-Service Portal will be in schools this Thursday.

All further candidate information will be posted on our website at the end of May.

Regards,
