

Mercy Secondary School Kilbeggan **School Lunches 2023-2024**

As we move up to our New School, we are delighted that Centra Kilbeggan will be joining us on the new site. Centra Kilbeggan will continue to provide a lunch service for the school for the forthcoming year. Students may order their lunches online at <https://centra.ie/beat-the-queue/lunch> or alternatively on-site before school starts. Students may order for the week ahead or on a daily basis. Please see the lunch menu below for the year ahead. Centra Kilbeggan will also continue to operate a shop on-site before school, at breaktime and at lunchtime.

All 6th, 5th & Transition Year students, and those students living in Kilbeggan who are going to their **own homes** for lunch, remain allowed to leave the school grounds at lunchtime. These students must have a **Lunchtime Indemnity Form** signed by their parent/guardian. Students are reminded to take absolute personal care on the roads and to be fully respectful if they are leaving the school to get their lunch in Kilbeggan. The school reserves the right to withdraw a student's permission to leave the school at lunchtime, if the student is not acting appropriately.
