

● Kilbeggan's New Developments

Kilbeggan has had some new or improved locations.

● Kilbeggan's New Chinese Restaurant

Ms Fang's Chinese takeaway was opened on Kilbeggan Main Street in August this year. Via reports from locals the takeaway is busy because it serves good food for takeaway and sit down orders. The takeaway is especially busy on the nights of the Kilbeggan races.

● The New Medical Centre

Kilbeggan's medical centre was a big improvement on the old doctor's office and pharmacy. It has been open for many months now and it is working well. It is located on the Tullamore Rd.

● New Roadworks

There has been new roadworks where the roundabout used to be between the Tullamore Road, the Old Dublin Road and the Main Street. The old roundabout wasn't working due to school traffic. It is now a turn with a stop sign for those coming from the Old Dublin Road.
