

Mercy Secondary School, Kilbeggan
TY/LCW Programme MSSK

Dear Employer,

On behalf of Mercy Secondary School, Kilbeggan, I would like to sincerely thank you for providing a work experience placement for one of our students as part of our Transition Year/Leaving Certificate Work Experience Programme.

We greatly appreciate the time, effort and support that you have given to our students. Providing young people with the opportunity to experience a real working environment is an extremely valuable part of their education. It allows students to develop practical skills, gain an insight into the world of work and, importantly, build confidence and independence.

We recognise that taking a student on work experience requires time and commitment from both employers and staff. Your willingness to share your knowledge, experience and expertise gives our students an opportunity that cannot be replicated within the classroom.

We hope that the experience has been a positive and rewarding one for both you and our student. We are very grateful for your support of Mercy Secondary School and for your contribution to the personal and educational development of our students.

Thank you once again for your generosity and for helping us to provide meaningful work experience opportunities for our young people. We greatly value our relationship with local employers and look forward to working with you again in the future.

Yours sincerely,

Emer Clarke
